Dear Dr. Keele,
 Thank you for sharing KRCC's concerns. I believe that our presentation this Thursday will address many of those you have listed. We will follow our presentation with a question and answer session during which you can raise those questions that you feel EPA has not yet answered.
 Thank you and I look forward to seeing you on Thursday, Michael Berkoff

 Subject: Allied Site New Option Questions to Elected Officials

Hello Mr. Richard, Berkhoff, Saric and Ms. Russell,

On behalf of the Kalamazoo River Cleanup Coalition, I am writing to inform you of our recent communication to our elected officials pertaining to some questions we have about the new redevelopment option and the process for amendment of the feasibility study to include this new option for the Allied Paper Superfund site in Kalamazoo.

Attached please find the letter and questions about the new proposed option we delivered to our federal, state and local elected officials today.

We look forward to seeing you in Kalamazoo on Thursday.

Best, Denise (KRCC President)
